Our team here at Overholt Metal Roofing Supply wants to help you through your roofing decisions. Our goal is to satisfy each customer and answer any questions that you might have. When you are redoing your roof, it can feel like a big job, but our sales team will help wherever you need it. We want to be able to have your metal ready as soon as possible so that you can meet your goals and time lines. And if you don't have that trailer or truck to haul the metal home, we are glad to have our delivery man do that job for you. Don't forget the screws and trim pieces. We have them for you.

# R-PANEL

R-Panel is the best option for commercial roofing needs. It's very similar in looks to our Tuff-Rib roofing panels. The main difference is in the height of its ribs. It has four 1 1/4" ribs instead of five 3/4" ribs, spaced 12" apart instead of 9".

## SPECIFICATIONS:

- 36" width coverage
- 1 1/4" high ribs spaced 12" apart
- Can be installed over open framing or decking / plywood
- 26 Gauge
- Akzo-Noble Paint or Galvalume finish
- Minimum roof slope 1:12

## LIMITED WARRANTY:

- Painted - 40 years
- Galvalume - 25 years
