Our team here at Overholt Metal Roofing Supply wants to help you through your roofing decisions. Our goal is to satisfy each customer and answer any questions that you might have. When you are redoing your roof, it can feel like a big job, but our sales team will help wherever you need it. We want to be able to have your metal ready as soon as possible so that you can meet your goals and time lines. And if you don't have that trailer or truck to haul the metal home, we are glad to have our delivery man do that job for you. Don't forget the screws and trim pieces. We have them for you.

STANDING SEAM

Standing Seam is a great option for residential homes. With the fasteners hidden, this panel has a very aesthetic look.

Here at Overholt we offer two styles:

the 1" nail strip and the 1 3/4" snap clip.

We also manufacture the trim to go with each style.

SPECIFICATIONS:

- 1 4 1/2" or 1 5" width coverage
- 1" or 1 3/4" high ribs
- Available in 26 and 24 gauge metal
- Kynar Paint or Galvalume finish

LIMITED WARRANTY:

- Painted - 40 years
- Galvalume - 25 years
